**Additional Information-** Sampson is wanted in connection with an April 2009 incident where she is accused of forging a check belonging to her neighbor. Sampson helped clean a neighbor's residence. That resident was later contacted by a local Check Cashing business verifying that a check had been written by the victim. Sampson was identified as having attempted to cash the forged check after the victim told the business a check had not been written by them. In fact the check had been stolen from the residence.
